Jeff,

I have checked with the building department, Cy Butts and has stated that he has nothing related to operating a business for this property.

Thank You,

**Subject:** Public Records Request: 1649 Providence use permits

Traci,

I would like to obtain from the City of Deltona a copy of any and all permits and other records that show that the property located at 1649 Providence Blvd. is permitted to operate as a commercial for-profit business.

Please provide me with a cost estimate prior to processing this request.

Thanks,

Jeff
